

WRENTHAM VILLAGE RECORDER REPORT 2019/2020

As in previous years, I believe that a photograph is better than a description. However, I have not spotted a great deal of changes to the buildings that have occurred in the village over the last year.

1. 'Sawyer's' garage - the tanks remain underground and are covered with cement and chippings.

Photo 21.12.19 - at the foot of one of the fencing corners.

Photo 21.02.2020 - work on the front of the building.

2. Extension Mill Lane
