Final was played at Colchester United Stadium

League games

We played 22

Won 18

Drew 4

Lost 0

Reserve Team

Played 24

Won 10

Drew 3

Lost 11

We have been very successful in applying for grants

We now have from a Premier League Grant a new Defib/ cardiac unit

A grant was sort for a new lawn mower, this was purchased locally from Haywards

A grant for pitch maintenance – this will be carried out by local people

A grant from the Football foundation for a new boundary fence to the pitch and main road, this was supported by Benacre Estates

We had a very old portacabin on the land and we has this removed with the help of a grant from East Suffolk Council, councillor Mr Norman Brookes £600.00

Season 2022/23 is also going very well and will report on that next year

We have a growing number of the village community watching our games on Saturday afternoons that is very much appreciated by the club and the players
