

Time 4 Tea 2025/26

We have enjoyed a good year , our numbers are a bit down , averageing 25 to 30 each Monday, we still offer tea, coffee, cake and biscuits with a donation of £1!!

In April we had our usual Easter eggs for everyone.

In May we had a V.E.day celebration with afternoon tea in the morning!

We had cakes and sandwiches etc made by lovely volunteers, plus a toast to those who gave their lives.

Those of us from Singing for Fun sang a few songs, led by John Rayfield, a happy morning, there were nearly 60 of us!

August, we took 26 to the Boating lake cafe in Southwold for afternoon tea, a lovely time had by all.

October was our 12th anniversary, again, another reason to celebrate.

It was a party atmosphere with lots of goodies to eat and drink and a beautiful cake made by Gill Middle ditch, Tony Albone cut the cake, he has rarely missed T4T in 12 years.

December was our Christmas celebration again with lovely food and mulled wine etc.

Singing for Fun led the singing of carols and everyone joined in.

Tanya Boast boosted our coffers with a donation of £73 from selling plants from her garden.

Also David Brown who sells homemade cakes each month in Beccles for Help for Heroes brings us leftover cakes , a very generous thing to do, he has raised over £130,000 ,for the charity.

A sad end to the year was losing three lovely people from our number, Joe Vestuto, a lively character who had a heart of gold, Marion Lloyd, a wonderful lady always full of fun and laughter and Anna Mansfield, a special lady, so well loved by all who knew her.

A special thank you to all our volunteers, we couldn't carry on without them and especially to Sue and Steve Billington who set up the room each week and are always on hand to help wherever they can.
