

## Wrentham & Mutford Football Club

Season 2025/2026

### Wow Wow Wow

The Wrentham & Mutford football club is the envy of many larger clubs for what has been achieved, competing with clubs who have a playing budget in excess of £20,000.00

Our players have continued to play for free and all first team players managed to get a sponsor for £150.00

As I write this report with 8 weeks of the season remaining we are currently

First team

3<sup>rd</sup> place in the Anglian Combination Premier Division

We are in the Final of the Anglian Combination Mummery cup (final to be played In Norwich on 10 th April)

In the semi final of the Suffolk Senior Cup

Reserve Team

Currently in 2<sup>nd</sup> place of Division 1 Lowestoft & District League

The cost to run our operation year to date has been £7107.00 A few of the costs below -

Match officials £1958.00 - Training cost (Beccles 3G) £1920.00 - Pitch Marking £960.00 - Cleaning of the kit £660.00 - Affiliations to the leagues and cups £350.00 - Equipment including training balls, match balls £550.00

Plus electric, water, petrol for the mower etc

We have been supported by the parish council and the Benacre charity to improve our clubhouse, that we are very grateful for.

We have various companies who have had an advert board at the ground and individuals who have sponsored matches and our Ladies in the tea hut who tirelessly make cakes and rolls have raised just of £1000.00

What the future holds is a little uncertain as the core of the squad are now entering their 30's and having other commitments like starting a family and a lot of them being self employed or working long shifts at Sizewell

People of note

Aaron Mills who is the Chairman and Secretary has done an outstanding job this season

Ryan, Connell & Connor our first team management team

Ryan, Sam & Kevin our reserve management team

Myself known as the special advisor or the glue man who keeps it all together

9 playing seasons and 9 championships with this season still to finish

Thank you for all your support

Barrie
