

## FOOTBALL CLUB REPORT

The football club has continued to go from strength to strength again for another season.

Away from playing the football, we lost a very important person to the club this year in Mr Peter Dyer, who had been associated with the club for over 60 years and will be a great loss to us.

We have been fortunate to continue with a Football Foundation Grant to improve the playing service.

We were very fortunate to receive £1000 from the local County Councillor and this has been used to improve the changing facilities (not quite complete yet)

Benacre Estate continue to support us, and we are very grateful for the continued use of the field.

Future project to fence in the A12 side of the field.
